

# Car Type Quiz from SageHabits.com

| Question   | ✓ for Yes | EV | Plug-in Hyb. | Hybrid | Gas |
|--|-----------|----|--------------|--------|-----|
| <b>Driving Habits</b>  |           |    |              |        |     |
| Do you primarily drive short distances (less than 40 miles/day)?   |           | 1  | 3            | 0      | 0   |
| Do you regularly take long road trips?   |           | 0  | 3            | 3      | 2   |
| <b>Charging</b>  |           |    |              |        |     |
| Can you install fast charging at home?   |           | 2  | 2            | 0      | 0   |
| Will it be more than 5 years before you'll get fast charging at your home/apartment?   |           | 0  | 1            | 3      | 3   |
| Are you located in an area with very few chargers, or does your area have few mechanics who specialize in EVs?                     |           | 0  | 0            | 2      | 3   |
| Are you concerned about range anxiety (fear of running out of battery)?  |           | 0  | 2            | 3      | 3   |
| <b>Costs &amp; Maintenance</b>   |           |    |              |        |     |
| Are you willing to pay a premium now for lower running costs in the future and keep this car for 100,000 miles?                    |           | 3  | 2            | 1      | 0   |
| Are you looking for the simplest maintenance requirements?   |           | 3  | 0            | 0      | 0   |
| Do you need to spend as little money as possible now even if it costs more in the long run?  |           | 0  | 0            | 1      | 3   |
| Are fuel costs a major concern for you, especially in the future?  |           | 3  | 2            | 1      | 0   |
| Do you live in an area with significant EV incentives (e.g., tax breaks, rebates)?   |           | 3  | 2            | 0      | 0   |
| <b>Attitudes and Other Needs</b>   |           |    |              |        |     |
| Is reducing your carbon footprint or reducing air pollution a top priority?  |           | 3  | 2            | 1      | 0   |
| Will you miss the sound and feel of the engine or want a "muscle car" exhaust and sporty appeal, maybe with a manual transmission? |           | 0  | 0            | 0      | 3   |
| Do you think EVs are overrated and will soon decline, or do you need a format not available in a pure EV, like a minivan?          |           | 0  | 2            | 3      | 1   |
| Do you need a vehicle with high towing or hauling capacity?  |           | 1  | 0            | 1      | 3   |
| <b>For every row you placed a ✓ for "Yes", tally your points for each column in that row here ➡</b>                                |           |    |              |        |     |
